FRANK C. PARTRIDGE

PROCTOR, VT.

May 16, 1914.

President John M. Thomas,
Middlebury, Vermont.

Dear Dr. Thomas:

Your good news is received and I am delighted that your dream of a new chapel is to be realized. It is a generous and beautiful thing for Governor Mead to do and of course I agree, as one of the Trustees, to the acceptance of his proposition and the appointment of the building committee which he suggests.

Faithfully yours,

Frank C. Partridge
